The Federal Emergency Management Agency (FEMA) requires local governments to develop and adopt local hazard mitigation plans (LHMP) as a condition for receiving certain types of non-emergency disaster assistance, including funding for mitigation projects. The City Adopted a LHMP in August 2020. Jurisdictions must update their hazard mitigation plans and re-submit them for FEMA approval every five years to maintain eligibility. The allocation to this account will vary in 5-year cycles with funds for outreach efforts in years 1-4 plus funding in year 5 for a LHMP update. Public engagement is an ongoing project. Funds generated by the General Plan Maintenance fee are intended to support the development and implementation of advance planning policies like the LHMP.
