III. **LIABILITY**

(a) All persons employed by COUNTY in the performance of the services and functions for CITY pursuant to this Agreement shall be and shall remain COUNTY employees. No COUNTY employee engaged in the performance of Services under this Agreement shall have any CITY pension, civil service, workers' compensation benefits, or other status or right as a result of this Agreement.

(d) CITY shall not be liable for compensation or indemnity to any COUNTY employee for any injury or sickness arising out of his/her employment except as provided in Section III(e) hereafter.

(e) CITY will assume the liability, will pay the cost of defense, and indemnify and hold the COUNTY harmless from loss, costs, or expenses arising from the COUNTY's performance of this Agreement, except as provided in Section III (f). In addition, when liability arises pursuant to Section 830, et seq., of the Government Code, by reason of a dangerous condition of public property of the CITY, CITY shall assume the liability, pay the cost of defense, and indemnify and hold the COUNTY harmless from loss, costs, or expenses associated with such liability, except as provided in Section III (f).

(f) COUNTY will assume the liability and will pay the cost of defense and hold the CITY harmless from loss, costs, or expenses to the extent caused by the active negligence or willful misconduct of COUNTY officers, agents, and employees occurring in the performance of this Agreement.

IV. **COMPLIANCE WITH APPLICABLE LAWS**

In performing the services to be provided pursuant to this Agreement, COUNTY shall comply with all applicable State and Federal laws and regulations, including but not limited to laws and regulations relating to discrimination and laws requiring injury and illness prevention programs.

V. **TERM**

This Agreement shall commence on _____, 2023, and shall continue in effect until June 30, 2027 unless terminated according to the provisions of Section II hereof.

VI. **MODIFICATION**

This Agreement may be modified in writing by mutual agreement of the parties hereto at any time.

VII. **INSURANCE**

COUNTY shall maintain the following minimum levels of insurance coverage during the term of this Agreement. Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Coverage shall be at least as broad as:

Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than \$2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 05 09 or 25 04 05 09) or the general aggregate limit shall be twice the required occurrence limit.
2. Workers’ Compensation: as required by the State of California, with Statutory Limits. For any claims related to this contract, COUNTY’S insurance coverage shall be primary insurance coverage (at least as broad as ISO CG 20 01 04 13) with respect to the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Independent Contractor’s insurance and shall not contribute with it.
3. Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, covering hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
4. Professional Liability (Errors & Omissions): As appropriate to Independent Contractor’s services, and not less than \$2,000,000 per occurrence.

COUNTY shall require the insurer to provide City with 30-day prior notice of termination or material change in coverage and ten (10) days prior notice of cancellation for non-payment.

VIII. **PAYMENT TERMS**

(a) CITY shall pay COUNTY the actual cost to the COUNTY in performing services hereunder. “Actual cost” shall be the County’s direct and indirect costs of providing the Services specified in the Exhibit attached to this agreement. Labor costs shall be at the fully-loaded staff rate.

(b) COUNTY shall keep reasonably itemized and detailed work or job records covering the cost of all services performed, including salary, wages, and other compensation of labor, supervision and planning, plus overhead, the reasonable rental value of all COUNTY owned machinery equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery and supplies furnished by COUNTY, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

(c) On or before March 1st of each year, COUNTY shall provide CITY with projections for service cost during the upcoming fiscal year. CITY shall advise COUNTY of any program changes for the forthcoming fiscal year.

(d) COUNTY shall bill CITY for services monthly. CITY shall pay COUNTY within thirty (30) days from the date of billing. If such payment is not received by COUNTY at the office which is described on said billing within thirty (30) days after the date of delivery of said billing, COUNTY is entitled to recover interest thereon. Said interest shall be at the rate of one (1)

percent simple interest per calendar month or any portion thereof calculated from the date of delivery of said billing.

(e) If, at the termination of this agreement, COUNTY has on hand any unexpended and unencumbered portion of any funds allocated or apportioned to CITY under this Agreement, which is in excess of any obligation of CITY to COUNTY, such excess shall thereupon be paid to CITY by COUNTY within sixty (60) days.

This Amendment may be executed in counterparts, each of which shall be original, but all counterparts shall constitute one agreement.
