

City of Piedmont
COUNCIL AGENDA REPORT

DATE: July 7, 2025

TO: Mayor and Council

FROM: Rosanna Bayon Moore, City Administrator

SUBJECT: Consideration of a Resolution Setting Forth Areas of Unlawful Parking in Accordance with City Code Section 11.47 (e)

RECOMMENDATION

By a single motion, approve the attached resolution setting forth areas of unlawful parking (no parking zones) within Piedmont pursuant to City Code Section 11.47 (e).

BACKGROUND

Section 11.47 (e) of the City Code makes it unlawful for the operator of any vehicle to stop, stand, park, or leave standing their vehicle, “In any area established by resolution of the Council as a no-parking area, when such area is indicated by appropriate signs or by red paint upon the curb surface.”

In an effort to maintain compliance with City Code, staff proposes to use the updated Red Curb No Parking Map (Attachment B), which details areas of unlawful parking across Piedmont and serves as the definitive listing of no parking areas within the City. It includes modifications that have occurred as part of previous pedestrian safety projects or will be implemented as part of upcoming roadway projects.

To ensure the public is informed of the areas deemed no-parking areas, the proposed resolution requires the Red Curb No Parking Map to be conspicuously posted on the City’s web site and available for public review in City Hall. Should there be a need to include additional no parking areas pursuant to Section 11.47 (e), any such additional areas will be approved by the Council via an updated resolution. The current Red Curb No Parking Map was last approved in August 2021 and is available to the public on the City website:
