**Sanitary Sewer
Rehabilitation Project
– Phase 6**

Mr. Gonzales introduced a resolution for consideration to approve the project and adopt an Initial Study and Negative Declaration and a Mitigation Monitoring and Reporting Plan for the Phase 6 - Sanitary Sewer Rehabilitation Project. He thought that with this item approved the City would be able to apply to the State for a Clean Water Revolving Fund Loan/30-year option, explained the details of the project and areas of rehabilitation, noted the impact categories studied and mitigation areas identified, indicated zero public comments received, and relayed plans to address the remaining sewer footage for rehabilitation.

City Engineer John Wanger was present to provide additional information and respond to questions from the Council.

There was no **Public Comment** received.

Resolution No. 69-2024

WHEREAS, in accordance with the California Environmental Quality Act (CEQA), an Initial Study and Mitigated Negative Declaration (IS/MND),

dated October 2024, has been prepared by ECORP for the City's Sanitary Sewer Rehabilitation Project – Phase 6 ("Project"); and

WHEREAS, the IS/MND concludes that the Project, with the proposed mitigation measures contained in the IS/MND and associated Mitigation Monitoring and Reporting Plan (MMRP), would not have a significant adverse effect on the environment; and

WHEREAS, the City shall incorporate into the Project all applicable mitigation measures identified in the IS/MND and MMRP; and

WHEREAS, on October 28, 2024, the City circulated the IS/MND for public and agency review; and

WHEREAS, the City received comments on the IS/MND from the State Water Resources Control Board and prepared responses based on such comments; and

WHEREAS, the City considered the IS/MND and MMRP on December 2, 2024; and

WHEREAS, the statements, findings, determinations, certifications, approvals and other actions set forth in this Resolution are based on the entire record before the City, including, without limitation, (i) the IS/MND and MMRP, both of which are on file at City Hall, 120 Vista Avenue, Piedmont, California and can be downloaded from the City's website at: https://piedmont.ca.gov/services__departments/public_works/city_project; (ii) the staff report (including attachments thereto) accompanying this Resolution; and (iii) all written and oral testimony presented to the City.

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Piedmont does hereby declare, determine, and order as follows:

SECTION 1. The City of Piedmont, on the basis of the whole record before it, and based on its independent judgment and analysis, hereby finds there is no substantial evidence that the Project will have a significant effect upon the environment.

SECTION 2. The City hereby approves and adopts the IS/MND for the Project based upon the findings specified in Section 1 above, and subject to the mitigation measures contained therein and in the MMRP.

SECTION 3. The City approves and adopts the MMRP for the Project and directs staff to carry out the Project to implement and comply with: 1) the mitigation measures, which are described and referenced in the IS/MND; and 2) the MMRP.

SECTION 4. The City is the custodian of the documents and other material which constitute the record of proceedings upon which the decision to approve the IS/MND and MMRP is based. Documents and other materials are located in the City offices at 120 Vista Avenue, Piedmont, California.

SECTION 5. The City hereby approves the Project, and the City Administrator is hereby authorized to file a Notice of Determination with respect to the IS/MND with the Alameda County Clerk and the State of California Office of Planning and Research.

**Housing Element Programs
Implementation Status**

Planning and Building Director Kevin Jackson and Associate Planner Gopika Nair presented an informational report on the status of the 6th Cycle Housing Element programs implementation that included the City's responsibilities, programs and goals, and completed, ongoing, and in progress programs, major initiatives, and programs requiring further action. They outlined a housing program request for proposal (RFP) to be issued in early 2025 and policy agenda items and significant programs to come before Council in 2025 for discussion related to lot mergers, site improvement standards, impact fees, and inclusionary housing.

City Attorney Michelle Marchetta Kenyon and Karen W. Murphy, Partner with Burke Williams & Sorensen, LLP, responded to additional questions from the Council.

There was no **Public Comment** received.

This was an informational item that required no Council action.
