Sirs,

I am very concerned that the City is considering re-purposing the Piedmont play school at Hampton Field.

My grandchildren attended 2 years of school there and it was such a happy wonderful experience for them

When I take clients out, I often drive by it with great pride to show them how attractive our various school buildings are.

It is such great new construction, the children and all the parents were so happy to have such a lovely little school

Surly you could find another location for the people who want to take it over.

It is such a loosing solution for the City.

Please, please reconsider.

Sincerely,
Anian Tunney
