Dear Josh,

Did you receive my submissions from last Wednesday for the hearing today on this project? I didn't receive a confirmation, perhaps that is not standard procedure but want to make sure that the submission was received and distributed. It involved suggested revisions to the proposed conditions of approval, all of which are in the appeal but not put together in that form.

Also, I would like to submit today pictures of 6860 Estates sliding down the hill. Please include these as well.

Best,
Chris
